INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
of Friends of Kenyan Orphans

We have audited the accompanying financial statements of Friends of Kenyan Orphans (a nonprofit organization), which comprise the statements of financial position as of December 31, 2015 and 2014, and the related statements of activities and changes in net assets, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

To the Board of Directors
of Friends of Kenyan Orphans
Page Two

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Friends of Kenyan Orphans as of December 31, 2015 and 2014, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

FRIENDS OF KENYAN ORPHANS
NOTES TO FINANCIAL STATEMENTS
December 31, 2015 and 2014

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of certain accounting policies followed in the preparation of these financial statements. The policies conform to accounting principles generally accepted in the United States of America (GAAP) and have been consistently applied in the preparation of the financial statements.

Nature of Organization

Friends of Kenyan Orphans, (the “Organization”), is a Michigan not-for-profit corporation which was formed for the purpose of enhancing the quality of life of orphans in Kenya by raising and granting funds to grass root organizations in Kenya which provide the basic human rights of food, clothing, shelter and education in a safe and caring environment.

Basis of Accounting

The financial statements of the Organization have been prepared on the accrual basis of accounting and accordingly, reflect all significant receivables, prepaids, payables, and other liabilities.

Basis of Presentation

The Organization follows accounting standards set by the Financial Accounting Standards Board (FASB). The FASB sets GAAP that the Organization follows to ensure they consistently report their financial condition, results of operations and cash flows. References to GAAP issued by the FASB in the following footnotes are the *FASB Accounting Standards Codification (ASC)*.

Financial statement presentation follows the recommendations of the ASC topic Presentation of Financial Statements for Not-for-Profit Entities. The Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. See Note 4 for information regarding the classification of Organization’s net assets

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Concentration of Credit Risk

The Organization from time to time during the year covered by these financial statements may have bank balances in excess of its insured limits. Management has deemed this as a normal business risk.

FRIENDS OF KENYAN ORPHANS
NOTES TO FINANCIAL STATEMENTS
December 31, 2015 and 2014

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Securities

The Organization records its investments in marketable equity securities in accordance with ASC-topic Not-for-Profit Entities Investments. Accordingly, investments in marketable securities with readily determinable fair values are valued at their fair values in the Statement of Financial Position. Unrealized gains and losses are included in the Statements of Activities and Changes in Net Assets.

Classification of Net Assets

Unrestricted net assets are not restricted by the funding source or grantor, or the fund source requirements, or donor-imposed restrictions that have expired. Unrestricted net assets include board designated net assets. Temporarily restricted net assets contain funding source or donor-imposed restrictions that permit spending as specified. The restrictions are satisfied either by the passage of time or the actions of the Organization. Permanently restricted net assets are required by donors to be held in perpetuity by the Organization. There were no permanently restricted net assets held by the Organization at December 31, 2015 and 2014, respectively.

Revenue Recognition

Contributions

Contributions are generally recorded as unrestricted revenue, unless specifically restricted by the donor. Contributions that are restricted by contributors are reported as increases in unrestricted net assets if the restrictions expire in the reporting period in which the contributions are recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets, depending on the nature of the restrictions. When restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities and Changes in Net Assets.

Income Tax Status

The Organization is exempt from Federal income tax under Section 501(c)(3) of the Internal Revenue Code. In addition, the Organization qualifies for charitable contribution deductions under IRS Section 170(b)(1)(A)(vi) and has been classified as a public charity under Section 509(a)(1). Accordingly, the Organization has never paid income taxes and does not anticipate being required to pay income taxes in the future.

FRIENDS OF KENYAN ORPHANS
NOTES TO FINANCIAL STATEMENTS
December 31, 2015 and 2014

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Income Tax Status (Continued)

ASC guidance regarding accounting for uncertainty in income taxes clarifies the accounting for income taxes by prescribing the minimum recognition threshold an income tax position is required to meet before being recognized in the financial statements and applies to all income tax positions. Each income tax position is assessed using a two step process. A determination is first made as to whether it is more likely than not that the income tax position will be sustained, based upon technical merits, upon examination by the taxing authorities. If the income tax position is expected to meet the more likely than not criteria, the benefit recorded in the financial statements equals the largest amount that is greater than 50% likely to be realized upon its ultimate settlement. At December 31, 2015 and 2014, there were no uncertain tax positions that required accrual.

Functional Expenses

The Organization allocates its expenses on a functional basis among its program and support services. Expenses that can be identified with a specific program and support service are allocated directly according to their natural expenditure classification. Other expenses that are common to several functions are allocated on various statistical bases. Although the methods used are considered reasonable, other methods could be used that would produce different results.

Reclassifications

Certain 2014 amounts have been reclassified to conform to 2015 presentations. The reclassifications had no effect on net assets.

Subsequent Events

The Organization has performed a review of events subsequent to the Statements of Financial Position date through July 26, 2016, the date the financial statements were available to be issued.

FRIENDS OF KENYAN ORPHANS
NOTES TO FINANCIAL STATEMENTS
December 31, 2015 and 2014

NOTE 2 – INVESTMENTS

Fair values and unrealized gains (losses) are summarized as follows:

	December 31, 2015		
	Cost	Fair Value	Unrealized Gain (Loss)
Money market funds	\$ 32,214	\$ 32,214	\$ -
Common stock	150,196	159,154	8,958
Equity funds	29,343	27,786	(1,557)
Diversified bond funds	23,518	22,974	(544)
Corporate bond funds	41,606	40,673	(933)
REIT	3,807	3,747	(60)
	<u>\$ 280,684</u>	<u>\$ 286,548</u>	<u>\$ 5,864</u>
	December 31, 2014		
	Cost	Fair Value	Unrealized Gain
Money market funds	\$ 102,675	\$ 102,675	\$ -
Common stock	71,116	76,412	5,296
Equity funds	8,783	8,459	(324)
Corporate bond funds	30,930	30,701	(229)
	<u>\$ 213,504</u>	<u>\$ 218,247</u>	<u>\$ 4,743</u>

NOTE 3 – FAIR VALUE MEASUREMENTS

ASC topic *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under ASC topic *Fair Value Measurements* are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Organization has the ability to access.

FRIENDS OF KENYAN ORPHANS
NOTES TO FINANCIAL STATEMENTS
December 31, 2015 and 2014

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Common Stock: Valued at the market value of shares held by the Organization at year end.

Equities and Corporate Bond Funds: Valued at the market value of shares held by the Organization at year end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Organization believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value or certain financial instruments could result in a different fair value measurement at the reporting date.

FRIENDS OF KENYAN ORPHANS
NOTES TO FINANCIAL STATEMENTS
December 31, 2015 and 2014

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

The following table sets forth by level, within the fair value hierarchy, the Organization's assets at fair value:

	December 31, 2015			
	Level 1	Level 2	Level 3	Total
Assets:				
Money market	\$ -	\$ 32,214	\$ -	\$ 32,214
Common stock	159,154	-	-	159,154
Equity funds	27,786	-	-	27,786
Corporate bond funds	40,673	-	-	40,673

Common stock	76,412	-	-	76,412
Equity funds	8,459	-	-	8,459
Corporate bond funds	30,701	-	-	30,701
	<u>\$ 115,572</u>	<u>\$ 102,675</u>	<u>\$ -</u>	<u>\$ 218,247</u>
Total				

FRIENDS OF KENYAN ORPHANS
NOTES TO FINANCIAL STATEMENTS
December 31, 2015 and 2014

NOTE 4 – RESTRICTED NET ASSETS

Temporarily restricted net assets are available for the following purposes:

	December 31,	
	<u>2015</u>	<u>2014</u>
Life Skills Center	\$ 39,631	\$ -
Security	11,800	-
Higher Education Options	77,050	67,072
Siena Heights University	38,523	43,155
Chestnut Hill College	6,692	8,692
Children's Home	300	200
Sponsorship	24,012	73,440
Septic System Maintenance	-	1,530
	<u>\$ 198,008</u>	<u>\$ 194,089</u>

As of December 31, 2015 and 2014, no permanently restricted net assets were held by the Organization.

NOTE 5 – IN-KIND CONTRIBUTIONS

The Organization frequently receives contributions of program and office supplies. Such contributions are recorded at fair value when received. For the years ended December 31, 2015 and 2014, the value of donated items were approximately \$11,940 and \$11,940 respectively. A substantial number of unpaid volunteers contribute their time to support the Organization; the value of their contributed time does not meet the criteria for being recorded in the financial statements.
